---

## **Professional Summary**

Enthusiastic and detail-oriented Computer Science graduate with a strong foundation in programming, problem-solving, and software development. Skilled in C/C++, Python, Java, and modern development practices, with hands-on experience in implementing and testing applications. A quick learner and immediate joiner, eager to contribute to innovative projects at Fujitsu Germany, focusing on sustainable transformation and advanced IT architectures.

---

## **Technical Skills**

- Programming Languages: C, C++, Python, Java, JavaScript
  - Tools & Frameworks: Git, GitHub, Continuous Integration tools
  - Concepts: OOP, Data Structures, Algorithms, Debugging, Software Development Lifecycle
  - Databases: MySQL, MongoDB
  - Other Skills: Technical documentation, teamwork, and client-oriented communication
- 

## **Education**

**B.Tech – Computer Science and Engineering**

**DRK College of Engineering, India | Graduating 2025**

---

## **Projects**

### **EmotiCare – Machine Learning Framework for Emotion Detection in Mental Health Conversations**

- Built an ML model to detect emotions in text-based conversations for mental health monitoring.
- Integrated Python-based NLP pipelines for sentiment analysis and emotion classification.

### **School Management Web Application**

- Developed a React + Node.js web application for school operations, including student management, attendance, and grading.
  - Collaborated on UI/UX design in Figma and implemented component-based architecture.
- 

## **Professional Experience**

**Part-Time Lecturer** – Delivered lectures on Python, Computer Graphics, and Discrete Mathematics for B.Tech students.

**Freelance Content Creator** – Created video, reel, and promotional content for startups and businesses.

---

## **Achievements & Certifications**

- Campus Recruitment Training – Python, Java, Aptitude, and Problem Solving
  - Completed multiple coding assignments in Assembler, C/C++, and scripting languages during coursework.
-

## **Additional Information**

- **Availability:** Immediate joiner
- **Languages:** English (Fluent), German (Basic), Telugu, Hindi
- **Work Authorization:** Eligible to apply for Germany work visa
